Selecting a Lender

We strongly encourage our home buyers to work with one of our established Loan Officers*. The reason for this is simply to make the financing process go as smooth as possible.

Our Loan Officers are familiar with Interra Homes and our building process, including vital details, such as dates and deadlines that are involved in the process. Like us, they are fully dedicated to making your home building process a wonderful experience. We encourage you to contact any of them to discuss financing options for your new home.

Please Note: You are not required to use a Preferred Loan Officer and may choose any lender to represent yourself.

*Please visit our website for our Preferred Loan Officers.
